Customer Problem Statement:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	Traveller	Evade the containment zones	I accidentally step into the containment zones	I don't have any medium to alert when I enter the containment zones	I'm vulnerable
PS-2	E-commerce delivery guy	Not delivering E-commerce products inside containment zones	I don't know where are the containment zones	I don't have any resource to notify me when I enter a containment zone	I feel fear when delivering because of the feeling of knowing about the containment zones
